Redwood City Citizens Gladly Testify and Confidently Recommend Doan's Kidney Pills.

It is testimony like the following that has placed Doan's Kidney Pills so far above competitors. When people right here at home raise their voice in praise there is no room left for doubt. Read the public statemnt of a Redwood City citizen:

Samuel Hall, living at 507 Stambaugh st., Redwood City, Cal., says: "I was troubled more or less for three or four years from a disordered condition of the kidneys. I did not suffer from backache, but an annoying symptom of a disordered condition of the kidney secretions, and I was forced to arise many times during the night on account of their too frequent action. Doan's Kidney Pills were brought to my attention, and deciding to give them a trial, I procured a box at P. A. Ryan's Drug Store. I used them according to directions and the kidney secretions became normal and regular and the weakness disappeared. I heartily recommend Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

A fraces at Pigeon Point. During the progress of a dance at the Point on Saturday evening last, given as a benefit for one of the men who had met with an accident logging wood, a free fight ensued about midnight the disturbance began. It is alleged that the two Bloom men were the principal causes of the breach of the otherwise harmonious proceedings. I. T. Bloom who had to relinquish the post as superintendent of the Timber Company in favor of C. R. Hussey, was feeling sore over the fact and had put in an appearance at the dance expecting to find Hussey there and to have it out with him in a summary manner. His man was not there however. Bloom must have someone on whom to vent his spleen so Hobbinswas made the target and on his unoffending person a drain of blows fell marring his physical beauty to a considerable extent, for the blows were given special force being laid on with the aid of the but endof a gun. The accused it seems hid the weapons with which he had evidently intended to use in a yet more deadly way than as a club, but deputy Hermon Frey by a clever detective move, discovered the hidden instruments of destruction and now has them as conclusive evidences of the seeming murderous intent of the men accused.

SAN MATEO, July 17.—The Citizens' bank of this city, located at First avenue and B street, closed its doors today on account of a lack of business. The directors, the majority of whom are from the southern part of the state, held a meeting last Monday and decided that the best course to pursue was to close. The Citizens' bank was granted a charter by the bank commissioners May 4 and opened 2 weeks later. The fact that most of the directors were Los Angeles men and not acquainted locally, had much to do with the closing. The financial conditions during the last few months are also partly responsible. G. M. Otis of Los Angeles was president of the institution and Geo. T. Steinbach was cashier. The directors were J. S. Meyers, L. N. McGill, B. Diebler, F. S. Hutton and R. E. Dunn.

While Joe Boss, an Italian dairyman employed by the Blinn ranch on the outskirts of this city, was leading a bull from one barn to another Thursday afternoon, the animal suddenly turned on him and gored him in the stomach. The wound is not expected to prove serious.
